

Nordic Egg Coffee

10 cups water
 $\frac{1}{2}$ cup coffee grounds
1 egg
 $\frac{1}{4}$ cup water

Bring 10 cups of water in a kettle to a boil on the stovetop. Combine coffee grounds, egg and $\frac{1}{4}$ cup water in a bowl. Add egg/coffee mixture to the boiled water. Boil 2-3 minutes. Remove from heat and add 1 cup of cold water. (This will settle the coffee grounds to the bottom of the kettle) Serve hot.
